DURHAM
MANUFACTURING

Bulk Storage

DURHAM[®] MANUFACTURING

Storack [®] , Heavy Duty Shelving, Bar Storage, Plasti-Bilt [®] Shelf Bins			
Storack [®] Shelving & Accessories	80 - 82	Vertical Bar Storage	83
Horizontal Bar Storage	83	Extra Heavy Duty Shelving	84

The Storack[®] line of Pallet Rack/Bulk Shelving is one of the oldest in the Industry. Easy to assemble, no tools required. Unique ribbed decking design.

STORACK® BULK STORAGE RACKS

HIGH CAPACITY BULK STORAGE SYSTEMS

Storack® has the strength and durability required for industrial environments as well as the wide span, easy-to-access space required for warehouses and distribution centers.

- **Modular assembly, no tools required.**
- **Rugged 14 gauge beams and 13 gauge upright frames fit securely together. 20 gauge ribbed decking holds heavy palletized loads as well as stacked boxes and odd shaped items.**
- **Safety lock prevents beams from accidental knock-out.**
- **Tan powder coat finish is rust and acid resistant.**
- **Floor plates are punched for anchoring to the floor.**

STORACK® BULK SHELVING

3 & 4 SHELF STARTER UNITS

**Model
6900-75**

Storack® Starter Units & Add-On Units

- Rugged 13 gauge beams and upright frames are constructed using 14 gauge steel
- Provides strength and durability needed for long spans in industrial environments
- 20 gauge ribbed decking holds heavy loads as well as stacked boxes and various shaped items
- Decking rests on specially designed beam step and fits flush with top of beam
- Upright frames have 2 columns of key hole slots enabling add-on units to share a common frame
- Safety locks prevent beams from accidentally being knocked out of place
- Foot plates on uprights are punched to allow anchoring to the floor (5/8" Dia.)
- Optional beam cross ties plus extra shelves, ribbed decking, uprights and beams are available
- Easy to assemble
- Beams and uprights are finished with a durable tan powder coat; ribbed decking is galvanized to prevent rusting

WARRANTY, TERMS & CONDITIONS

Warranty

The Durham Manufacturing Company warrants that, at time of shipment, the products manufactured by Durham are free from defects in material and workmanship. Durham's obligation under this warranty is limited to replacement or repair of such products within one year from the date of shipment. No material is accepted for replacement or repair without the written authority of Durham. A decision as to whether a defective product will be replaced or repaired

will be made only after an examination of the product at our plant. Durham is in no event liable for consequential damages, installation costs or other costs of any nature as a result of the use of the products manufactured by Durham, whether used in accordance with the instructions or not. This warranty is in lieu of all others, either expressed or implied. No representative is authorized to assume for Durham any other liability in connection with Durham's products.

Payment Terms

The terms are net 30 days for all companies with approved credit. To establish credit, submit: signed Durham credit

application, resale certificate, one bank and three trade references.

Freight Policy & Terms

All shipments are made FOB shipping point. Because of our freight volume, we receive deep discounts from a wide range of large national carriers. Customers are invited to contact our Inside Sales Department (1 800 243-3774) Ext. 7300 or 860-349-3428 and discuss how they may take advantage of discounted freight. Small package service is available utilizing UPS or Fed Ex Ground for many of our products.

METHOD OF SHIPMENT

Orders will be shipped by specifically requested carriers whenever possible. If there are no special instructions, Durham will ship via the best available routing, prepaid & add.

Returns

Returned goods will not be accepted without a *return authorization number* which can be obtained by calling Inside Sales. All returns must be shipped back in the original cartons and packing material, freight prepaid. All

returns are subject to a 25% restocking charge. Custom or modified items are non-returnable.

Packaging

All possible care is taken to ensure safe, damage free shipment. Special packaging has been designed for every SKU and is packed to industry tested standards.

Foam inserts, corrugated inserts and Sus-Wrap are used wherever applicable. Palletized shipments are stretch wrapped. Special requirements for carton identification i.e. part numbers or bar coding, can be met.

Disclaimer

Durham Manufacturing products shown in this catalog are subject to change without notice. Durham has made every effort to illustrate and describe products in this catalog accurately; however, illustrations and descriptions are for the sole purpose of identification and do not imply a warranty that the products are fit for a particular purpose. Durham reserves the right to correct publishing errors. Note that shipping weights are approximate.
