

DC650 W/ 5M BAG FILTER KIT

708642MK

JET Model 650 dust collectors hook up to 1 to 3 machines at a time for optimum dust cleaning. Each 650 series dust collector comes equipped with a quick-install collection bag, single-stage design for economical and quiet operation, 4 casters for maneuverability and total portability, and permanently lubricated, fully enclosed, fan-cooled motors for continuous duty. An optional remote control is radio frequency so there is no need for line of sight to turn the machine on and off.

FEATURES

- Hook up one to three machines for optimum dust cleaning
- Quick-install collection bag makes emptying and re-attaching a snap
- Single-stage design for economical and quiet operation
- Includes four casters for maneuverability and total portability
- Permanently lubricated, totally enclosed, fan-cooled motors are rated for continuous-duty

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
