

UCDBB

Specification Sheet

PRODUCT DESCRIPTION:

Reduce hand injuries by keeping your gloves where they are easily accessible! By keeping work gloves with the employee recordable hand injuries can be reduced by up to 85%. At many companies, glove clips are now mandatory in Safety programs. We have glove clip styles that fit a large variety of belt widths and others that clip on. These clips can hold more than just gloves as well.

FEATURES:

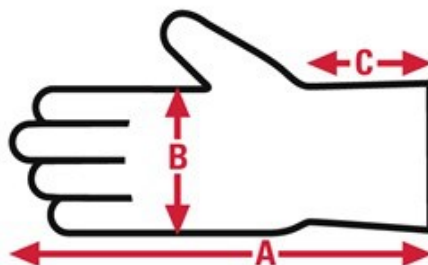

- Fully Dielectric
- Light Weight and Sturdy
- Keeps Gloves Close
- Attaches to Belt
