DIABLO SAFETY TIPS FOR BLADE USE

Wear Personal Protective Equipment

Always wear the proper gloves, dust mask, ear covers, and safety goggles when using saws. Slip-resistant footwear is also recommended.

Avoid Overreaching

Keep both feet planted firmly on the ground and avoid overreaching to maintain stability.

Practice Electrical Safety

Disconnect power supply before adjusting or changing the blade. Allow the saw to reach full power before starting to cut.

CARBIDE TEETH RECIP SAW BLADES

MFG #	DESCRIPTION	UOM
