Eclipse™ Apparel

Revolutionary Quad-Hazard™ protection. Offers high visibility, liquid proof, arc flash and flash fire protection. Patent pending Thermo-Grid technology helps block out heat energy while the flame resistant PVC coating on Nomex® provides 100% liquid proof protection and 2" silver reflective tape that reflects light for 360° nighttime conspicuity. Features FR corduroy collar with roll-a-way hood, oversized 3-piece hood with adjustable hook and loop take-up strap, full-vented cape back, D-ring access for fall protection harness, hook and loop take-up straps on wrists, adjustable elastic drawcord, zipper/storm fly front with snap closure and hidden hardware, self material suspenders with heavy-duty quick release buckles and crossover, and non-conductive, non-corrosive hardware. Flame resistant. Fluorescent yellow-green. Self extinguishing with flameout and afterglow less than or equal to 2 seconds after removal of ignition source and char length less than 6" per Test Method ASTM D6413. Conforms to ASTM F1891 for Arc Thermal performance and NFPA 70E - HRC 2. Conforms to ASTM F2733 for Flash Fire performance. ANSI/ISEA 107 Class 3 compliant for flame resistance and high visibility.
